

SHERWIN-WILLIAMS.

The Sherwin-Williams Company
465 Marshall St.
Coldwater, MI 49036

August 8, 2013

To whom it may concern:

In consideration of awarding any future coatings projects at your facility., I'd encourage putting Ian and Commercial Painting Services at the top of the list. Our experience with them has always been positive and professional. I've visited with Ian and his crew on many commercial job sites, and noted his expertise in surface preparation, coatings selection and overall application technique. Contractors and customers alike have expressed high regard for Ian and his team's work. We confidently refer Commercial Painting Services on a regular basis.

In the last few years, Commercial Painting Services has successfully completed high visibility projects for the following clients: City of Coldwater, City of Charlotte, Coldwater Community Schools, Speed Rack, City of Niles, Branch County Airport, Allegan County Airport, Charlotte Airport, Pellston, Mi. Airport, Paragon Exterior, Planet Powersports Exterior, and Mastronardi Greenhouse Coldwater.

If I can be of any further assistance, please feel free to call me at 517-278-8171.

Sincerely

THE SHERWIN-WILLIAMS COMPANY
